

Friday 14 September 2018

8:00 AM - 7:00 PM	Registration and Information Desk Open; The Marble Foyer	
Room	The Grand Lodge	
9:00 - 9:30 AM	Conference Opening	
	<p>Welcome to Country: Uncle Allen Madden Conference Welcome: Professor Anthony Harris, Conference Convenor Official Opening: Mr Stephen Gerlach AM Chair, Psychosis Australia Trust The Hon. Tanya Davies, NSW Minister for Mental Health Professor Maree Teesson AC, Chair of the National Mental Health Commission</p>	
9:30 - 11:00 AM	Plenary Session	
Room	The Grand Lodge	
Session Chair	Anthony Harris	
	<p>Keynote Plenary Speaker: Patrick Corrigan <i>Erasing the stigma of mental illness: what says the Dodo bird?</i> (45 minutes)</p>	
	<p>Keynote Plenary Speaker: Vera Morgan <i>What are the challenges for service providers in promoting recovery for people with psychotic illness?</i> (45 minutes)</p>	
11:00 - 11:30AM	Break; The Marble Foyer	
11:30 AM - 12:45PM	Symposia 1A	Concurrent Session 1B
Room	The Grand Lodge	The Corinthian Room
Session Chair		Brian O'Donoghue
	<p>Nicola Warren, Lara McCartney, Sarah Farrand, Zena Hume <i>Inflammation, electricity and decay; organic psychosis and its treatment.</i> (60 minutes)</p>	Melissa Connell <i>Voices and visions in the general population: exploring the influence of appraisals on distress</i> (15 minutes)
		Nicole Korman <i>Evaluating effects of a healthy lifestyle intervention implemented at a residential mental health rehabilitation unit</i> (15 minutes)
		Matthias Pillny <i>"I won't have any fun!" Anticipatory anhedonia and social inactivity in patients with psychotic disorders</i> (15 minutes)
		Karen McCann <i>Establishing peer support worker roles into a community-based clinical outreach team</i> (15 minutes)
		Brian O'Donoghue <i>Risk of first episode psychosis amongst first generation migrants in an Australian cohort</i> (15 minutes)
12:45 - 1:45 PM	Poster Session & Lunch Break; The Marble Foyer	

1:45 - 3:15 PM	Plenary Session	
Room	The Grand Lodge	
Session Chair	Peter Schofield	
	<p>Keynote Plenary Speaker: Darryl Eyles <i>The troubled journey of a dopamine neuron towards psychosis</i> (45 minutes)</p>	
	<p>Keynote Plenary Speaker: Cynthia Shannon Weickert <i>Putative perivascular macrophages are increased in people with schizophrenia with increased cytokine expression</i> (45 minutes)</p>	
3:15 - 3:45 PM	Break; The Marble Foyer	
3:45 - 5:00 PM	Concurrent Session 2A	Symposia 2B
Room	The Grand Lodge	The Corinthian Room
Session Chair	Janice Fullerton	<p>Jackie Curtis, Megan Kalucy, Scott Teasdale, Oscar Lederman <i>Keeping the Body in Mind in Psychosis: integrating nutrition, exercise, smoking cessation and sleep into routine care</i></p>
	<p>Eric Tan <i>Evaluating patterns of semantic and executive dysfunction in schizophrenia: a cluster analysis approach</i> (15 minutes)</p>	
	<p>William Reay <i>Genomic dysregulation of retinoid signalling in schizophrenia and its implications for cognitive performance</i> (15 minutes)</p>	
	<p>Emily Hielscher <i>Why are psychotic experiences associated with self-injurious thoughts and behaviours? A systematic review and critical appraisal of potential confounding and mediating factors</i> (15 minutes)</p>	
	<p>Janice Fullerton <i>Brain cortical trajectories, polygenic risk and environmental interactions in a prospective longitudinal study of young people at-risk of bipolar disorder</i> (15 minutes)</p>	
	<p>Maria Di Biase <i>Overlapping and distinct white matter alterations in schizophrenia and healthy individuals with auditory verbal hallucinations</i> (15 minutes)</p>	
5:00 - 7:00PM	Welcome Reception and Partnerhsip with NeuRA, The Marble Foyer	

Saturday 15 September 2018

8:00 AM - 5:00 PM	Registration and Information Desk Open	
9:00 - 10:30 AM	Plenary Session	
Room	The Grand Lodge	
Session Chair	Bernhard Baune	
	<p>Local Plenary Speaker: Dan Siskind <i>Managing the cardio-metabolic co-morbidities of psychotic disorders</i> (45 minutes)</p> <p>Local Plenary Speaker: Markus Leweke <i>Cannabinoids, the endocannabinoid system and psychosis</i> (45 minutes)</p>	
10:30 - 11:00 AM	Break; The Marble Foyer	
11:00 AM - 12:00 PM	Concurrent Session 3A	Concurrent Session 3B
Room	The Grand Lodge	The Corinthian Room
Session Chair	Melissa Green	Barnaby Nelson
	<p>Hadar Hazan <i>Narrative self in youth at high risk for developing schizophrenia</i> (12 minutes)</p> <p>Melissa Green <i>Latent profiles of developmental schizotypy in the general population: Familial risk factors and childhood mental illness</i> (12 minutes)</p> <p>Eric Tan <i>Gender and age of onset in schizophrenia: examining predictors and characteristics using SHIP 2010 data</i> (12 minutes)</p> <p>Emily Brown <i>Early onset psychosis and trauma symptoms in aboriginal youth</i> (12 minutes)</p> <p>Stanley Catts <i>Can innovations in practice improve the outcomes of patients with schizophrenia: a narrative review</i> (12 minutes)</p>	<p>David Coghill <i>Efficacy of lurasidone in adolescents with schizophrenia: interim analysis of a 24-month, open-label extension study</i> (12 minutes)</p> <p>David Coghill <i>Safety of lurasidone in adolescents with schizophrenia: interim analysis of a 24-month, open-label extension study</i> (12 minutes)</p> <p>Barnaby Nelson <i>NEURAPRO: A multi-centre RCT of omega-3 polyunsaturated fatty acids versus placebo in young people at ultra-high risk of psychotic disorders – medium term follow up and clinical course</i> (12 minutes)</p> <p>Bernhard Baune <i>Metabolic management during antipsychotic prescribing (MMAP) program; A psychiatrist clinical audit</i> (12 minutes)</p> <p>Bernhard Baune <i>Metabolic syndrome in patients with schizophrenia receiving long-term treatment with lurasidone, quetiapine XR or risperidone</i> (12 minutes)</p>

12:00 - 1:00 PM	Concurrent Session 4A	Symposia 4B
Room	The Grand Lodge	The Corinthian Room
Session Chair	<p>Nicola Hancock</p> <p>Richard Schweizer <i>Schizophrenia, stigma and stigma Management: a case study</i> (15 minutes)</p> <p>Claire O'Reilly <i>Family and healthcare professional perceptions of stigma and discrimination in severe and persistent mental illness: assertive community treatment team settings</i> (15 minutes)</p> <p>Nicola Hancock, Jennifer Smith-Merry <i>Mind the Gap - NDIS & psychosocial disability. National insights and policy recommendations from expert stakeholders</i> (15 minutes)</p> <p>Mark Tayar <i>Disclosing mentally illness: reducing stigma through storytelling</i> (15 minutes)</p>	<p>Mayuresh Korgaonkar, Melissa Green, Vanessa Cropley, Stephen Wood <i>Novel neuroimaging approaches in psychosis and mood disorders</i> (60 minutes)</p>
1:00 - 2:00 PM	Poster Session & Lunch Break; The Marble Foyer	
2:00 - 3:30 PM	Plenary Session	
Room	The Grand Lodge	
Session Chair	Susan Rossell	
	<p>Keynote Plenary Speaker: Iris Sommer <i>To continue or not to continue aims and methods of the Dutch HAMLETT study</i> (45 minutes)</p> <p>Keynote Plenary Speaker: Stephen Wood <i>The curious relationship between autism and psychosis'</i> (45 minutes)</p>	
3:30 - 4:00 PM	Break; The Marble Foyer	
4:00 - 5:00 PM	Workshop 5A	Symposia 5B
Room	The Grand Lodge	The Corinthian Room
	<p>Debra Lampshire <i>The modern voice hearer</i> (60 minutes)</p>	<p>Dan Siskind, Vaidy Swaminathan, James Kesby, Anita Toender <i>Clozapine: A journey from the bench to the bedside</i> (60 minutes)</p>

Sunday 16 September 2018

8:30 AM - 3:30 PM	Registration and Information Desk Open	
9:15 - 10:45 AM	Plenary Session	
Room	The Grand Lodge	
Session Chair	Anthony Harris	
	<p>Local Plenary Speaker: Susan Rossell <i>Hearing voices: investigating transdiagnostic differences</i> (45 minutes)</p> <p>Local Plenary Speaker: James Scott <i>Clinical dilemmas in anti-neuronal antibody positive patients with psychosis</i> (45 minutes)</p>	
10:45 - 11:15 AM	Break; The Marble Foyer	
11:15 AM - 12:30 PM	Concurrent Session 6A	Concurrent Session 6B
Room	The Grand Lodge	The Corinthian Room
Session Chair	Brett Clementz	Karen Wells
	<p>Brett Clementz <i>Replication and extension of psychosis biotypes: findings from the bipolar-schizophrenia network on intermediate phenotypes (B-SNIP) consortium</i> (15 minutes)</p> <p>Matthew Hudgens-Haney <i>Identification of a biomarker signature of negative symptoms in psychosis: A B-SNIP study</i> (15 minutes)</p> <p>David Parker <i>Multivariate investigation of EEG auditory processing deviations in psychotic, affective psychotic and non-psychotic affective disorders</i> (15 minutes)</p> <p>Elena Ivleva <i>Brain structure biomarkers at the psychosis/non-psychosis interface: findings from the Bipolar-Schizophrenia Network for Intermediate Phenotypes (B-SNIP)</i> (15 minutes)</p>	<p>Adriana Nevarez-Flores <i>Functioning and social experiences in people with psychotic disorders and its association with HRQoL</i> (15 minutes)</p> <p>Liza Hopkins, Andrew Foster <i>Discovery College: bringing community together</i> (15 minutes)</p> <p>Nicola Hancock <i>Recovery assessment scale domains & stages (RAS-DS): a self-report tool to facilitate individuals to drive and track their own recovery, and clinicians to enhance their recovery-focused practice</i> (15 minutes)</p> <p>Debara Foran <i>Barriers and aids to healing, my story, an aboriginal perspective</i> (15 minutes)</p> <p>Karen Wells <i>Learning from lived experience: a series of service-user lead research to inform electro-convulsive therapy (ECT) practices</i> (15 minutes)</p>

12:30 - 1:30 PM	Lunch Break; The Marble Foyer	
1:30 - 2:15 PM	Plenary Session	
Room	The Grand Lodge	
Session Chairs	Maarten Van Den Buuse	
	Local Plenary Speaker: Thomas Whitford <i>"It's not me, it's you": confusion between self and world as a root cause of some psychotic symptoms</i> (45 minutes)	
2:15 - 3:15	Concurrent Session 7A	Symposia 7B
Room	The Grand Lodge	The Corinthian Room
Session Chair	Tertia Purves-Tyson	Anthony Harris, Susan Rossell, Frances Dark <i>Does cognitive remediation improve outcomes in Psychosis?</i> (60 minutes)
	Tertia Purves-Tyson <i>Dysregulation of dopamine-related transcripts is exacerbated by neuroinflammation in the midbrain in schizophrenia</i> (15 minutes)	
	Tasnim Rahman <i>Altered N-Methyl-d-Aspartate receptor composition and gene expression in dorsolateral prefrontal cortex of schizophrenia cases with elevated inflammatory markers</i> (15 minutes)	
	Maarten Van Den Buuse <i>Interaction of brain-derived neurotrophic factor (BDNF) and dopamine D3 receptors in the acute and chronic effects of methamphetamine in mice: Implications for methamphetamine psychosis and schizophrenia</i> (15 minutes)	
	Hayley North <i>Infiltrating immune cells in the neurogenic subependymal zone in schizophrenia</i> (15 minutes)	
3:15 - 3:30 PM	Closing Session	
Room	The Grand Lodge
